

Bohannon Huston, Inc. Welcomes Vice President, Jared Lee, PE to Denver

Jared Lee, PE, Joins Bohannon Huston's Denver Office as Vice President of Engineering

Jared Lee, PE, LEED AP, joins the Bohannon Huston, Inc., (BHI) Denver Office as Vice President of Engineering. Jared is a Leadership in Energy and Environmental Design (LEED) Accredited Professional Engineer who has been with BHI for over 13 years. Mr. Lee's expertise includes leading design teams in all civil engineering aspects of various design and development projects, including both private and public infrastructure projects. Mr. Lee has experience in leading roadway and utility projects, residential and commercial developments, subdivision planning, and award-winning civil site development projects, while still maintaining an active role in the design process. As a LEED Accredited Professional, he has experience with green building practices and design services for several LEED registered and/or certified projects.

Mr. Lee can be reached in the Denver Office at Meridian One, 9785 Maroon Circle, Englewood, CO 80112; by phone: 303.799.5103, or by email at: jlee@bhinc.com.

Jared brings strong experience and a long list of successful engineering projects:

Las Cruces Downtown Revitalization.

Las Cruces High School Renovations

Centennial High School (Las Cruces)
